

**SWIMMING LESSONS**  
"SWIMMING IS A SPORT FOR LIFE"

**Classes:** 6CC, 5/6W, 5/6B, 5WV

Dear Parents,

Our swimming program this year will be held at Noble Park Pool. The pool is outdoors and heated to maintain a warm temperature. The student's swimming groups will be organised according to ability, which will provide our students with sequential lessons, delivered by dedicated teachers.

Swimming is a vital skill for all our children to learn and this program will provide them with invaluable experiences, skills, knowledge and fun.

Qualified instructors will conduct the lessons and the children will be supervised by our staff.

Learning activities address buoyancy and mobility skills, stroke development, safety and rescue drills. The cost of this year's program is \$95.00. This includes bus transport to and from the pool, instructors' fees, a swim cap and pool entry. Payments can be made by cash or direct deposit BSB 063610, Account 10061505, Childs Name as reference. Each student will also receive a certificate that will document their swimming achievements.

Parents should bear in mind that ALL children are encouraged to attend swimming lessons so that they develop the necessary skills that will stay with them for the rest of their life. Children who attend their own swimming lessons privately will still benefit from instruction at a level suited to their ability which can only further enhance their swimming development. Parents will hardly need reminding that a lack of knowledge and experience of water safety and survival skills has been the cause of many tragedies at pools, beaches, rivers and other waterways in recent years.

**Dates:** Lessons will be conducted on the following dates:  
20/03, 22/03, 23/03, 24/03, 27/03, 29/03, 30/03, 31/03

**Cost:** \$95.00 Payment & permission slip must be returned by Tuesday, March 14<sup>th</sup>.

OR Part payments can be made with the final amount due - 14/3/2017

Many families have applied and will receive the CSEF Funding which can be allocated to swimming.
